Brothers

We at Christian Heritage Schools (CHS) are deeply appreciative of the excellent relationship forged between CHS and Northside during the past 17 years. Northside provided CHS a home at a time of crisis. CHS and Northside have benefited from jointly using facilities on the shared campus. Northside has always been a warm place for CHS families looking for a church-home.

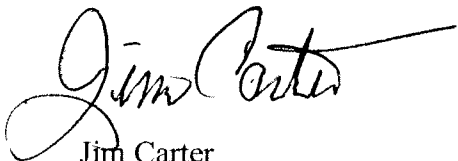

The CHS Board is extremely grateful for the Elders' desire to include us in your long-term plans. You have provided excellent and early communication of the desire to sell the current property and relocate. You have also been very generous and clear in communicating your wish that CHS relocate with Northside.

For the past two years, the CHS Board has constantly reviewed our options. We have been torn between relocating or staying in the current location. We have prayerfully and carefully considered the implications of our decision on the future of CHS.

During a special meeting of the Board on April 5, the decision has been made to not accept the offer to move with the Northside church to the new location. We will be actively seeking resources to purchase the current Northside property or to relocate.

We ask that God continue to bless our relationship in the future. We pray He will pour out wisdom and grace upon the Northside congregation and her Elders as you continue with the relocation planning.
