Special Needs

Jesus loves ALL children
and so does Northside!

Do you have a child
with special needs?

Northside's Children's Ministry (infants-5th grade) is blessed to have a committee of qualified individuals with a wide range of education and experience in working with children with special needs and their families.

These individuals are willing to serve as a resource and provide support for Northside's children with special needs, their parents and our volunteers.

If your child would benefit from special accommodations or instruction during Bible class, please contact the Children's Ministry Office at 494-1907 ext 206
